With the stunning South Downs in the distance, it is a beautiful place for your ceremony. The Apple Barn also offers a fully lined marquee attached to the rear so your wedding or civil partnership can take place inside if required.

After the ceremony you can stroll through the beautiful grounds back to the Crown Barn for the reception.

*“The venue was incredible and the staff brilliant,
we have had so many compliments about the day”*

Reception

THE CROWN BARN

The Crown Barn, which offers seating for up to 200 guests for your wedding breakfast, has been traditionally hand-built using local oak, brick and stone.

The barn has fantastic rustic features including exposed beams and gothic style chandeliers, plus one entire side of the barn can be opened to give your wedding day a wonderful outdoor feel. Our willow trees offer shade on the newly paved drinks reception area, where your guests can sit and enjoy the stunning views of the South Downs.

Catering with Circa Events

Circa pride themselves on offering couples stunning food and a flexible approach to their wedding breakfast. They can cater for every need, whether that's a four-course fine dining meal with delicate canapés, or a succulent Sussex hog roast served to your guests 'family style'. They take your lead on how formal, or informal, you would like your meal and they use your ideas and thoughts to help develop your own special wedding menu.

They will provide you with current menus to have a look through to help you develop your ideas. And, if you like the pork belly from one dish teamed with the cumin-spiced greens from another, plus the Dauphinoise potato from a different dish, then it's all possible!

For that festival feel, or late night snacks, they have a vintage ice cream bike serving local Brighton gelato and a brilliant pizza oven van – top quality pizza's served from a proper wood fired oven.

They offer free bespoke consultancy with Head Chef Marc Bolger and his team to discuss your meal, along with a tasting where he cooks your selected meal for you to try.
